Dear Christ the King Graduate, Family and Friend,

Think back to your days at Christ the King elementary School (or any Catholic school). Remember your favorite teacher? Do you remember your best friends from 6th grade or the tiny gym? Do you remember going to mass with your classmates during the week, and seeing them again at church on Sunday? Perhaps you remember the time you got in trouble at school and you had to face your parents after a call home from the teacher.

Now ask yourself this: How much did that experience shape your life? If you are like us, it played a huge part in making you the person you are today. It may have helped you go to college or find a career. It may have helped you make lifelong friendships. It may have given you a feeling of safety, security, confidence, and a sense of belonging. Perhaps it strengthened your faith life. Christ the King elementary School continues to help students from the parish and neighborhood in all these ways.

Did you know that there are now only seven Catholic elementary schools in the City of Detroit? The financial challenges of running a quality school, especially in these daunting times, have forced many to close. Christ the King elementary School remains open because the need for a Catholic school in Northwest Detroit remains very real. It continues to serve more than 160 students.

In 2007, the Christ the King elementary School Advisory Committee was formed to help the school continue to serve the parish and surrounding community. If your life has been blessed by Christ the King elementary School, or any Catholic school, we invite you to join us in Supporting Christ the King. If you would like to volunteer your time and talent, please contact our Principal, Ms. Rosanne Jodway, at (313) 532-1213. We promise your gift will be used to make a true difference in the lives of our students.

Thank you for any support and prayers that you can offer.

Sincerely,

Rosanne Jodway
